Shewonz Biocares Pvt. Ltd.

Glow With Us, Grow With Us

At Shewonz, we believe that skin care is not just a routine — it's a celebration of your natural beauty. Since our inception, our mission has been simple yet powerful : to deliver premium quality skin care products that combine the best of nature and modern science. Every formulation is crafted with love, precision, and responsibility, ensuring you get nothing but the finest for your skin. Our products are proudly made in India, using high-grade ingredients sourced from trusted suppliers. We follow stringent quality standards, so every cream, scrub, gel, cleanser, and pack you use is safe, effective, and truly luxurious. With an ever-growing range of skin-loving products, we have earned the trust of beauty professionals, salons, and regular customers of every age group across the country.

From the CEO's Desk – Rahul Khurana - "When I founded Shewonz Biocares Pvt. Ltd., I had one dream — to create a brand that inspires confidence in people. Skin care is not just about beauty; it's about feeling empowered, positive, and proud of who you are. Our team works tirelessly to ensure that Shewonz products are of unmatched quality.

Today, as we expand into Our dedicated business plan are not just offering products — we are offering opportunities. I invite you to be part of this journey, to grow with us, and to spread beauty and success together."Why We Are the Best Premium Quality – We use only the best ingredients, ensuring safety and visible results. Affordable Luxury – High-end skin care made accessible to everyone. Ethical & Transparent – No harmful chemicals, cruelty-free, honest in every deal.

Growth with Shewonz – Our Business plan is designed so that everyone has an equal chance to succeed. Trusted by Professionals – Preferred by salon owners and beauty experts nationwide. With Shewonz, you don't just sell products — you share a promise of quality, trust, and prosperity. Let's shape the future of beauty, together.

- Rahul Khurana

Shewonz Facial Cream Collection

Shewonz facial cream with a fresh and light texture, it optimises moisturisation whilst respecting the physiological skin balance. It helps normalise sebum production, with a rebalancing action. Its formula, enriched with Aloe Vera extract, particularly rich in antioxidants, promotes cellular regeneration. At the same time, thanks to the presence of Vitamin E, it helps counter dryness and the impurities that accumulate during the day, main cause of imperfections and of uneven skin.
